

### **Request for Quotation (RFQ) - Diesel Bowser Needed for Masakhane Project**

We are seeking a reputable company to supply a high-quality Diesel Bowser for the Masakhane Project.

#### **Requirements:**

- Diesel Bowser Fuel Capacity: 1 500 litres or more
- Must have a pump
- Must have a trailer (should be licensed)
- Must be in excellent working condition
- Certification of quality and safety standards compliant
- Competitive pricing with detailed breakdown of costs
- Daily rate pricing structure with a detailed breakdown
- Quote should be based on ad-hoc rate (as and when required)
- Delivery to the project site at Masakhane

**Submission Deadline: Please submit your detailed quotation by 26 June 2024**

For more information and to submit your quotation, please contact [admin@siyanqobangamandla.co.za](mailto:admin@siyanqobangamandla.co.za)

We look forward to receiving your competitive quotations to help fulfil the diesel supply needs of the Masakhane Project. Thank you for your interest and support!

**Due to the high number of applications expected, kindly note that only the required number of applications will be considered.**

**If you have not heard from the company within 10 days after the closing date,  
please assume that your application has been unsuccessful.**
